Chaffey Student Attends Red Meet

(Editor's Note: The author of the following article is a student at Chaffey College and a reporter for the Chaffey Collegiate Press. His story on the recent communist meeting is reprinted by permission from the Dec. 7 issue of the college newspaper).

By Tony Navarro

About 800 persons gathered in a Los Angeles hall last Friday night to rejoice over the results of the California elections.

But the assembly was not sponsored by the Democratic Party, as could be expected—billed as speakers for the evening were Elizabeth Gurley Flynn and Dorothy Healy, both "prominent Communist spokesmen."

It was no accident that I came to be present at this meeting.

Much is said these days about the dangers posed by the national and international Communist movements, so it was with some interest I learned meetings of questionable intent were being held in the Los Angeles area.

Brought to my attention last week was a piece appearing in the PEOPLE'S WORLD. The newspaper announced that Flynn, "national Communist spokesman," would appear at a forum under the auspices of the Hall-David Defense Committee.

(Chairman of the National Communists, Gus Hall, together with Benjamin David and eight others, is currently under indictment by a Federal grand jury for failure to register as officer and member of the Communist Party, required under the McCarran Act.)

Curious over what transpires during such meeting, I went.

At the address given by the paper, I entered a two-story building and was directed to a room 7 upstairs where already a large number of seemingly happy people were milling about.

Upon entering a hall, about six times the size of an average Chaffey classroom, a large banner was conspicuously placed on the front wall, reading: "Repeal the McCarran Act."

I was somewhat disappointed by the absence of large pictures of leaders—a notion I picked up from movies.

People began sitting down and I followed suit by selecting a chair near the center of the smoke-filled hall. Amidst all the noise, an occasional "comrade" was heard here and there.

Immediately thereafter, an elderly woman approached and addressed me in a language unfamiliar to me. She held out an official-looking document and motioned for me to sign it.

The paper was a petition to abolish the House Committee on Un-American Activities.

About 500 people were now seated, but still more were coming in. Curiously, most were elderly people.

A young girl up front now called for attention. She announced that because of the overflowing crowd, more seats would be brought in. Shortly afterward, she added, the meeting would begin.

It would appear I wasn't the only one unprepared for such a large turnout-even in Los Angles.

First to speak was Dorothy Healy, who shared with Flynn a two-hour interpretation of the California election results.

Healy said "major hurdles" had been removed with the defeat of Richard Nixon, members of the John Birch Society, and proposition 24.

(Proposition 24, often called the "Francis Amendment," would have denied Communist and subversive organizations political party status and prohibited members from holding public office or employment, or from receiving tax exemption.)

Healy mentioned members from minority groups who were elected to public office. She suggested that their successful bids could be regarded not only as a victory for the minority groups, but inroads for the working classes and "peace movement" as well.

Several times during their talks, both women were interrupted by a standing ovation or tumultuous applause, especially at the mention of Nixon's defeat.

Flynn said that before the election, discouraging reports had been reaching her in New York. "I didn't know whether to come out here (West) to commiserate or celebrate with you," she told the audience.

Upon reaching Chicago, how-

Opal Hawes Is Principal Of New School

Trustees of the Upland Elementary School District Tuesday night named Mrs. Opal R. Hawes, Director of Education, to the principalship of the new 15th Street School which is scheduled for completion next April.

The board interviewed six qualified applicants for the position all of whom are presently within the district.

Interviews were during the regular public session of the board meeting and the selection made in an executive session after the meeting.

Mrs. Hawes has been Director of Education for the district for the past nine years. Previous to that she taught primary grades at Upland Elementary School. She will assume her new position when the 15th Street School is ready for occupancy.

Her position of Director of Education will not be filled, but the board created a new position of Assistant Superintendent for Instructional Services which is an upgrading of the job and will encompass the duties of Director of Education.

Upland Woman Reports Activity

(Editor's Note: In our continued attempt to expose and defeat communism this newspaper is publishing the following exclusive first-hand account of attendnace at a recent communist meeting. We believe this article will serve to help warn our good citizens of the nearness and very real dangers of the communist threat to our freedoms).

By Mrs. Manon C. Brooks

Last Friday Nov. 30th, a group of persons from Upland and Ontario including myself went in to Los Angeles to attend a Communist meeting, held at the Park Manor, 604 So. Western Rm. 7 Los Angeles.

This meeting had been publicized in the Communist newspaper "The People's World."

The speakers were billed as "Prominent Communist Spokesman". One of them was Dorothy Healy, "So. Calif. Communist Spokesman" who is currently under indictment by the Federal Grand Jury. The other speaker was Elizabeth Gurley Flynn, "National Communist Leader" she recently had her passport revoked by the Immigration Dept.

We had to pay a dollar each to get in, proceeds to go to a communist cause, and to our dismay there were over 800 persons there. Ninety-five per cent of the audience was comprised of one minority group. I won't mention the race for I don't wish to give the communist sympathizers an opportunity to call me anti- whatever group I might mention, for this is something your readers will have to see to believe.

After we had taken our seats and extra chairs were brought in to accomodate the huge crowd that was entering, Dorothy Healy was introduced, to which the audience gave her a standing ovation.

She proceeded to discuss the recent general election in California. She said, the elections were a tremendous victory against the Ultra Right, the Birchers, and the conservatives of Calif.

She was exceptionally pleased with the defeat of Richard Nixon, the Birchers, John Rousselot, Edgar Hiestand and Bill Richardson and Proposition No. 24 "The anti-communist amendment."

She was also very happy over the election to Congress of two of their Peace Candidates as she called them, both of whom belong to minority groups as she put it.

Of course she went on to say that they suffered some defeats in San Diego area by the elections of two Ultra Rightist and also by the election of (I quote) "The worst one of the lot, the biggest White Race Supremist of them all, Congressman Utt, of Orange County." (This to us meant that Congressman James Utt must be pretty darn good to incur the wrath of the communists, but we didn't let the audience know we were thinking this, we would clap and stand up every time the audience did. You know the old saying, "When in Rome do as the Romans do."

After Dorothy Healy gave her discertation Elizabeth Gurley Flynn, "National Communist Leader" was introduced, and after wild and tumultous applause, she proceeded to congratulate the audience for their part in making the elections a tremendous success.

She said, she was on the East coast a week before election and that she kept hearing disturbing news about the California elections. She said, "The reports were that Nixon was leading slightly ahead of Brown and that she didn't know if she was going to Calif. to commisserate or celebrate with you" (the audience) but she said "then the Cuba crisis developed and Russia, as you know acted very proper and soberingly and the rest is history." (end of quote)

Then she praised the left wingers, liberals, peace groups, civil liberty groups, CDC, Sane, COPE for their tireless efforts in the last election but she reminded the audience that we must not stand still but must now move ahead to abolish the House Committee on Un American Activities, which she calls HUAC, the correct initials being HCUA, and push for the Repeal of the McCarran Act.

She said Committees were being formed for just this purpose throughout the United States and even in East Berlin called the International Civil Liberties Union, and another in Britain with Bertran Russell as one of their members to which the audience gave loud applause.

All this time one of the women with me was getting very sick at her stomach. I asked her after the meeting what her reactions were and she replied, "I couldn't believe it, I keep telling myself I'm just dreaming."

I also questioned some of the others too and their reactions were either shock or anger over the fact that such meetings occur right here in Los Angeles and, they're never publicized by the press or television in order to inform the public of what the communists are supporting or what movements they are behind.

Then after the speeches they passed the collection boxes and money was just spilling all over, the audience was very receptive.

After the meeting we left feeling very depressed because we realized that the majority of the people of California, many of whom didn't realize it, but they just handed the communist the victory celebration we had just witnessed.

I think that if any of these persons who voted against Richard Nixon, and any member of the John Birch Society, or voted against proposition No. 24, the anti subversive amendment, could have attended this communist meeting and not felt sick then I think it would be safe to say, they knew fully well who they were helping.

This truly was an experience we will never forget and it has certainly alerted us to the next Communist move which is the abolishment of the House Committee on Un-American Activities and the repeal of the McCarran Act. Watch for it.

New Board Chairman Stops Grand Jury's Payroll Distribution

Vigorous action by Mrs. Nancy Smith, newly-elected Chairman of the Board of Supervisors, stopped a special Grand Jury payroll distribution investigation and audit this past week.

Mrs. Smith instructed Robert Covington, Administrative Services officer of the County, to issue a memo that "directed" the payroll be distributed in the "normal" manner by the Auditor Mrs. Joscelyn Cox.

County Counsel Stanford Herlick also advised Mrs. Cox that the proposed payroll distribution was illegal.

A day after Mrs. Smith stopped the program, she issued a blistering statement deriding the Grand Jury.

The Grand Jury had set up the payroll distribution in conjunction with Diehl, Evans & Company, auditing firm of Santa Ana, District Attorney Lowell Lathrop, and Mrs. Cox.

The payroll distribution would have entailed the passing out of payroll checks by these four groups to personally verify each person on the payroll.

The special investigation by the Grand Jury was prompted by five cases of fraud and embezzlement in the county coming to light this past year, as well as previous mail samplings of payroll and other studies made during the year as part of the regular audit of county financial matters.

The complete statement of the Grand Jury is as follows:

Personal delivery to San Bernardino County employees of current payroll checks will be made Dec. 10 under direction of the 1962 County Grand Jury.

Payroll checks for nearly 100% of county employees will be distributed in person to the employees to verify their identity and other factors, such as addresses, departments, etc.

Special centralized distribution points have been set up to expedite the delivery of the pay checks so every employee will receive his check on time.

Members of the Grand Jury and members of cooperating departments will deliver checks to outlying county locations.

This surprise payroll check distribution is being handled in conjunction with Diehl, Evans, and Company accounting firm of Santa Ana, the District Attorney's office and Auditor-Controller's office.

The surprise payroll check distribution was initiated by the Grand Jury for several reasons.

Never before has such a procedure been instituted in San Bernardino. Because our County is growing so rapidly, and with so much money involved in the County payroll, it was deemed essential by the Grand Jury that every precaution should be taken.

The Grand Jury does not expect to find fraudulent cases and hopes that in the future the Auditor-Controller's office will set up, on an annual basis, spot-checking and partial personal payroll check distributions on a continuing pattern as other counties have done.

The Grand Jury is providing the initiative and foundation for the future of a program of this type.

Earlier this year the County experienced a fraudulent claim case involving non-existent personnel on the payroll, and the annual audit of the county included a small mail sampling for payroll verification with minor errors to provide the Grand Jury with incentive to probe deeper. These minor errors have all be corrected.

The complete statement of Mrs. Smith Chairman of the Board of Supervisors, is as follows:

"I was astounded when I learned in San Francisco by

Ten Girl Scouts Receive GEMS Bracelet Awards

Ten Girl Scouts of Troop No. 1123 received their G. E. M.S. bracelets last Monday night at the Chaffey Girl Scout House in Upland.

Mrs. Keith Kelly and Mrs. Harold Speigel are the troop leaders.

Scouts graduating were: Pamela Porter, Suzanne Speihel, Melinda Hodell, Margie Watkins, Carol Bryan, Susan Fitzsimmons, Joyce Hanlon, Carol Locke, Penny Cos, and Eleanor Dyer.

G.E.M.S. represents "Good Emergency Mother Substitutes", and is a child care and safety program sponsored by the Woman's Auxiliary to the San Bernardino County Medical Society.

Doctor's wives are the volunteer teachers. Mrs. James Beggs, Mrs. Robert H. Crawford, Mrs. Alan McPherson, and Mrs. Merriman Hamblin taught the graduating class. Mrs. Hamblin is chairman of the G.E.M.S. program for the West End.

The basic G.E.M.S. course includes bathing a baby, and dressing and feeding small children. The care of older children stresses safety measures and accident prevention.

The aim of the program is to give young girls, who are approaching baby sitting age, information in the care of children and anticipation of preventing accidents.

The Medical Auxiliary does not sponsor its young G.E. M.S. graduates as baby sitters, but hopes that if these girls do care for young children, they will be better able to do so with skill and safety.

Every G.E.M.S. has a list of information she must obtain before parents leave their children with her. It covers children's schedules and meals, phone numbers where the parent can be reached, as well as phone number of a neighbor, the family physician, police and fire departments.

Along with learning safety and accident prevention, the G.E.M.S. course includes instructions which helps the girls earn their child care badge.

Christmas Meet Held In Heights

The December meeting of the San Antonio Heights Woman's Baptist Mission Society was a special "Christmas Worship".

Mrs. Alvera Escott was in charge with Carol Loy, Betty Zimmer, Gwen Edwards, Roselee Peters, Lynn Belton, Cindy Bieseker, Susan Burgeson, Peggy King, and Mary Ann Mariner participating in presenting a tableau on "The Miracle of Love".

Readers were Mrs. Theran Staib and Mrs. Georgia Riley with music by Miss Esther Hewlett. Singers were Roselee Peters, Mrs. Bessie Bell and Mrs. Lucille Peters with a solo of "O Holy Night" by Mrs. Mae Henderson.

Following the closing prayer by president Mrs. Ebbie Tannvhill, the ladies were served refreshments by the ladies of the church.

DAUGHTER ARRIVES

A girl was born Dec. 2 at San Antonio Community Hospital, the daughter of Mr. and Mrs. Eddie A. Omotoy, 963 Raymond St., Upland.

GEMS Bracelets are presented to Penny Cox, Carol Locke, and Margie Watkins, from left, by Mrs. Merriman Hamblin Monday night as part of the 'Good Emergency Mother Substitutes' graduating class. Ten Girl Scouts of Troop 1123 received their bracelets. The child care and safety program is sponsored by the Woman's Auxiliary to the San Bernardino County Medical Society.

The winner will receive a certificate of merit from the Upland BPW and will compete with girls from other cities in the San Orco District competition which is scheduled for January at Anaheim.

Clan Capers

By Sue Thompson

Santa Kerr did bring us a win after all!

By far one of the most exciting events of the year was the Chaffey game last Friday night. Though our varsity won by a comfortable margin of 55-45 the game was hard-fought all the way.

The game really showed us what kind of a basketball team we have. It also showed Chaffey what kind of team we have. The team was so terrific in our first win against Chaffey in the history of Upland High that lots of people went out and bought tournament passes for the Upland-Montclair Tournament instead of a ticket for just the opening round.

The Chaffey pep squad was also a formidable opponent, but I think Upland came out on top in the verbal battle too. Our yell leaders did a fine job of matching wits with the Chaffey group.

* * *

A real old-fashioned, homey Christmas formal will be put on by the senior class on Dec. 15. "Santa's Workshop" will fature a Christmas tree, a fire, armchairs . . the works! There will even be a real live Santa Claus, pillows and all.

* * *

The results of the welfare drive are so good they make Christmas even happier. The Girls' League drive netted $817.00, which is over $200 over their goal. That should buy quite a lot of books.

* * *

Another worthwhile project to remember is the canned goods drive being sponsored by the student council. Everyone try to remember to bring one or more cans of food to the Student Activities Office to help needy families in the area have a better Christmas.

* * *

If you're dragging around with a long face and your homework undone, remember two things—everyone else is too, and CHRISTMAS VACATION IS ONLY FOUR SCHOOL DAYS AWAY!

Outcome of the elections are important, Flynn continued, because as the soon-to-be most populous state, California, has set examples, the rest of the country can follow.

People from her state of New York have a notion the sun rises in the East River and sets in the Hudson River she bantered.

With the election over, Flynn suggested efforts could now be concentrated toward the abolishment of the House Committee on Un-American Activities and the repeal of the McCarran Act. She repeatedly referred to the committee as the "HUAC."

Highlander Cagers Down Favored Chaffey 55-45

By John Whittaker

Over 2,000 basketball fans and students witnessed a determined Upland High School varsity basketball squad upset a highly favored team from neighboring Chaffey High 55-45 in the Highlander Gym last Friday night.

Earlier in the day Coach Jerry Kehr had promised Upland students a victory over the arch-rival Tigers as an early Christmas gift at a pep rally.

What Coach Kehr terms one of his most determined and hustling basketball teams proved themselves worthy of such praise as they out-rebounded the taller Tiger 47-41 and staged a fast-break offense which broke the defense of last year's class AAA CIF champions.

Upland jumped ahead in the opening seconds as Glenn Schmekel surprised the Tigers with two quick field goals.

Chaffey guard Wally Waters scored ten straight points helping his team to overcome the Highlanders' early lead. Five missed lay-ins calmed the hosts' attack and Chaffey led 14-10 at the end of the first quarter.

In the second period the Highlanders revived their offense and completely controlled the scoring in the first minutes of the period. Chaffey began to close a 6-point gap but the half ended with Coach Kehr's hosts leading 30-27.

Coach Jim Blake's Tigers tied the score in the third period, but Upland went right back into the lead behind scoring by Rollie Fingers and senior guard Bob Novell.

Chaffey came within 4 points of the Highlanders in the last period before Fingers scored from underneath and Schmekel stole the ball and made an easy lay-up.

Upland continued scoring in the last seconds despite a desperate effort from the Tigers to control the ball.

Schmekel was high-point man for the game with 15 while Novell, Fingers, and Waters had 14.

Consolation Prize Goes To Spartans

This past weekend the Spartans of Upland College won the Golden State Athletic Tournament consolation finals and with it was awarded the first trophy for the roundball sport in the school's history.

With it was double satisfaction as the locals defeated Biola, 81-73, for the first time in 12 years in copping the crown.

Upland could have well been in the championship finals if they would have had six less seconds in its opening round game.

The locals came from behind on two free throws by guard Ray Plutko to take a 73-72 lead with nine seconds left in the game but Ron Jones of Pacific hit a free throw to send the game into overtime with Pacific coming out the winner 81-75.

In the LAPC game Jim McCoy was high point man with 27 markers. The next evening the Spartans dumped Southern California College, 69-56, to gain the consolation finals against Biola who had defeated LIFE. Tom Todd was high point man with 21 markers.

In the finals, Biola jumped off to a 10-0 lead before Upland could muster a point. Jump shots by center Andy Sandquist and forward Tom Todd slowly cut the margin and the locals tied the game at 32-32.

Biola put on a spurt and carried a 45-41 lead to the dressing rooms at the half. But the second half was a different story.

Both teams matched basket for basket until with eight minutes left in the game Plutko and Sandquist connected for 10 straight points to give the Spartans a six point lead.

From this point on the locals retained the lead and hung on for the win.

Top scorer in the encounter was Andy Sandquist with 31 points, his best output in his two years at Upland. Other leading scorers were Jim McCoy with 17, Tom Todd and Ray Plutko with 15 each and Al Billington with 3 points.

Upland will return to action this Saturday evening, meeting LIFE College at the Los Angeles Pacific gym. The opening tap is set for 8 p.m.

This will be the last outing for the Spartans until after the holidays and all area fans are encouraged to make the trip. The Spartans stand at 3-3 for the yer to date.

Dec. 7, 8, and 9 were days and evenings for FAMILIES. Tick-tockers, Webb and Collegiate Schools, Santa Claus on 2nd Avenue - plus so much more - were guaranteed to "flat-foot" most parents, raise money for many organizations, and exhaust even the young people.

Over 700 were served at the Methodist Church smorgasbord. Ask anybody who worked on it Saturday. They'll tell you that the number was closer to a million.

Collegiate School had a Christmas Bazaar and Tea that brought in over $1000 for the scholarship fund.

Webb and Collegiate had their annual Christmas "sing" in Webb Chapel. The program had to be given twice Sunday afternoon because of the numbers of parents and friends attending.

Upland was "howling" with families Friday night.

Ticktockers had an enormous tea on Sunday.

Now we anticipate the Christmas program Dec. 14 at Foothill Country Day, plus the Dec. 18 Open House there. Next - VACATION begins the 19th.

Betty Anton, Eileen Appleby, Barbara Herbers, Mary Frances Abbott, Toodie Person, Isabelle Whitney, Ruth Hinman can all fill you in on the week.

* * *

Mike of the fancy vest at the Sycamores and Irma of Martinez were married Oct. 30. There must be some one who didn't know it.

Merle Rash was all by himself Friday night.

* * *

How many of you remembered the Casa Colina gifts due Dec. 10?

How many of you are remembering to send me your favorite recipe for January publication?

How many of you have contacted any of the organizations that help children and neglected members of our society?

How many of you have looked up even one of the books mentioned here during the past month? (I know you have to sit down once in a while.)

How many of you are having visiting relatives or friends - like Helen and Ernie Olsen?

Ray Cyphers has been home from Mexico for quite a while. Plans now to enter Pre-Med in February.

Noralee Clinton looked like a female Pied Piper last Friday afternoon.

Evelyn Winton says the Sierra Athletic Club will open its season during Easter vacation.

"I'm coming!" said the mother to the Calico Cat (whose name is Liz.) "Yes, I'm going to work on your costume today." (And Liz's mother would rather be on the clean-up committee. Why? Because Liz's mother's sewing would shatter a couturier - and not from fear of competition.)

Christmas Show Set For Kiddies

A Children's Christmas Theatre Program will be presented on Saturday, Dec. 15 in the Chaffey College Little Theatre. Two performances are to be given, 1:30 and 3:30 p.m.

Ticket donations will be 50¢ and the sponsoring club, the Chaffey College Faculty Wives, will use the proceeds to help their welfare program, the Student Book Grant Fund.

The Strane Puppeteers will follow the theme of the "Nutcracker Suite" by Tschaikovsky when they present their puppet show. Several scenes from the ballet, including the Snow Queen and her sleigh driven by snails and the Snow Flkae Ballet will be acted out by the marionette type puppets.

Special Lighting, glitter and sequins add touches of holiday magic to the program.

Mr. Ralph Strane is in the drama department at Chaffey College and his wife, Maxine, is a member of the Faculty Wives Club. They have presented puppet shows for a number of years and consider it a family hobby. All of the puppets they use for their programs are constructed and dressed by the Stranes.

Upland Is 96.2% In United Fund

A report late Tuesday from Bruce Wolgemuth, executive director of the United Fund for this area, indicates that Upland is now 96.2 percent of quota.

Total Upland collections to ate are $15,595 of the $16,207 goal.

The total area campaign stands at 98.6 percent of quota with $209,658 received.

Wolgemuth said that he is hoping to end the current campaign by Dec. 15 and that "we are confident we can and will reach our total goal."

Grand Jury --

(Continued from Page 1)

telephone that the Grand Jury had initiated a payroll auditing procedure by attempting to commandeer and distribute the County employees' payroll checks by non-County employees for the purpose of "fraud detection and identification."

Though the Grand Jury gave short notice to Department Heads and to the newspapers of this auditing procedure, it did not inform the Chairman of the Board of Supervisors of this confiscatory procedure.

I informed the Grand Jury through its Foreman that this auditing method is illegal and directed the County Auditor to distribute the payroll checks to the County employees in the usual manner.

I do not condone the harassment of County employees by Diehl, Evans and Company or any other outside group. The employees are not under police state rule.

Further, I deem this procedure as recommended to the Grand Judy by Diehl, Evans and Company to be demoralizing and without legal precedence.

The Grand Jury Auditors will have to come up with a better method for detecting payroll fraud. The County Employees pay checks will be distributed in the regular manner."

UHS Matmen Down Colton

By John Whittaker

A convincing 43-13 victory over Colton last Thursday night began what appears to be another successful wrestling year for Coach Pat Bandy and the Highlanders, runner-ups in the CIF finals for the past two years.

Nine Upland wrestlers pinned their opponents while Tom Olson won a 6-4 decision.

Eugene Martinez, Charles Presby, Joey Caldera, Bob Valdera, John Gilliland, Dave Gonzales, Manuel Lara, Loren Miller, and Richard Hargraves each pinned their visiting Yellowjacket opponents before an estimated 200 spectators in Highlander Gym.

Presby, Martinez, and Joey Caldera each pinned his opponent in less than one minute.

Tuesday the Highlanders traveled to Redlands for a 'challenging' match, results of which were not available at press time.

AN EDITORIAL

Postage Rate Hike Still Bargain

Effective Monday, Jan. 7 postage rates will go up one cent. First Class letters will cost five cents, post cards four cents and air mail letters eight cents.

Christmas cards, in the "third class" mail category, now costing three cents, will cost four cents during the 1963 Christmas season.

Other postage hikes will take effect the same date, but the average postal patron is interested in the first class rates.

Acting Upland Postmaster John W. James points out that very few things are cheaper today then they were 45 years ago, but air mail still is.

When the new rates go into effect, American air mail service will be in its 45th year.

Air Mail was first introduced in America on May 15, 1918. At that time 6600 letters were flown from Washington D.C. to New York City, a distance of about 200 miles, for a cost of 24 cents an ounce, which included a 10 cent special delivery fee.

With the new rates, a letter can be flown from Los Angeles to New York for one-third the original cost. Today, more than 1.5 billion letters and post cards travel by air annually in the United States.

Postmaster James also points out that air mail can be especially important at Christmas time. Late cards sent by air mail can reach Chicago from Upland in less than eight hours.

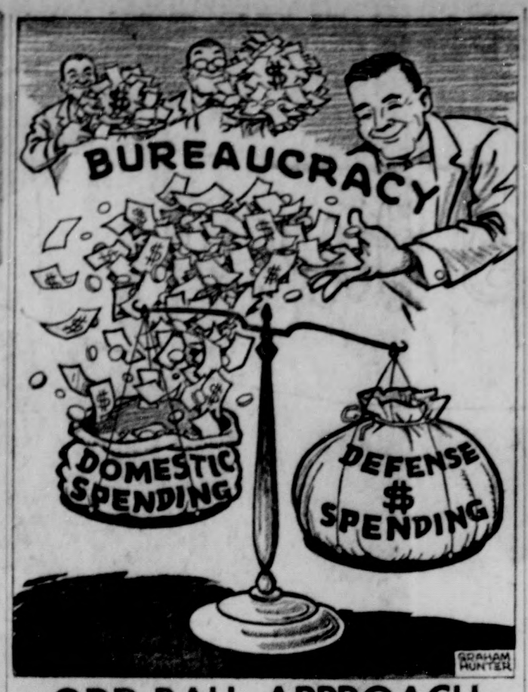
However, the Post Office Department urges a "mail early" program to avoid any chance of Christmas messages being delayed.

Although no one enjoys seeing costs increase, letters and post cards are still a bargain in the field of communications.

A new Christmas stamp has been issued this year and the Post Office Department suggests its use for all Christmas cards. Use of the special stamp will permit cards to be forwarded when the return address is on the envelop or to be returned if necessary rather than land in the "dead letter" file.

As a parting note - it will be easier for all concerned and much more pleasant for those on the receiving end if your Christmas mailing is done early.

If you are unable to complete your mailing early enough, there is still air parcel post which will receive top priority on all scheduled air lines.



ODD-BALL APPROACH

In its own way Washington bureaucracy is doing everything in its power to balance the budget.

Now don't get your hopes up because the way it is going about it reveals an astonishingly peculiar idea of what budget balance really is.

The bureaucrats want to balance the budget by bringing domestic spending up to par with defense expenditures!

Far-fetched? Not a bit. The cold statistics provide indisputable proof. Domestic spending will have hit the $36.8 billion mark by the end of the current fiscal year while defense spending will reach $52.7 billion. Ten years ago the domestic spending figure was but $21.5 billion, with $50.4 billion spent on defense.

Thus, from a level of 40 per cent of the defense expenditures in 1953, domestic spending has catapuled to 70 per cent. The dollar increase in 10 years was $15.3 billion which represents 80 per cent of the $18.4 billion advance in the grand total for all federal spending over that period.

Despite the odd-ball bureaucratic approach most Americans are certain to stick to the old-fashioned notion that true budget balance comes only when income and outgo match.

Communism Guide OK'd By Trustees

Chaffey High School District trustees Monday night approved the Resource Guide for teachers for use in teaching about communism in social studie classes.

The guide had been presented to the trustees two weeks ago for review and recommended adoption.

The guide, described by Superintendent Allan G. Smith as the "best written guide I've seen", was prepared by the Ventura School District.

Trustees also adopted a resolution for the establishment of a traffic signal at Ramona and Mission Blvd.

Assistant Superintendent Edwin Hunt was also authorized to negotiate with the County Counsel, County Auditor and Board of Supervisors to establish a date for the sale of $350,000 in bonds. They represent the balance of the 1956 bond issue and the sale will be sometime after the first of the year.

Dr. Lawson Honored By OPARC

Dr. Lawson is also engaged in training other dentists in this specialized field. He is a member of OPARC's advisory board.

Sears Grants For Education Total $63,000

Sears, Roebuck and Co. this week will begin the distribution of almost $900,000 in unrestricted grants under a new program of aid to privately supported colleges and universities, N. B. Trenton, Pomona Sears manager, said.

In announcing the distribution of the 1962 grants, Mr. Trenton said they are for the purpose of helping these intitutions meet their increasingly critical financial needs.

Under the new Sears program, 48 participating colleges and universities in California will share in grants totaling $63,000. In this area, Claremont Graduate School, Claremont Men's College, Harvey Mudd College, La Verne College, Pomona College, Scripps College and Upland College will receive grants totaling $4,700. Upland College will receive $500.

Altogether under the program 557 colleges and universities from coast to coast will receive grants. They are unrestricted to allow the schools to allocate their funds in accordance with their greatest needs.

Commenting on the Sears program, Mr. Tentron noted that corporate giving to private higher education must increase from its current annual level of $200 million to $500 million by the end of this decade if these schools are properly to discharge their educational obligations to American society.

Sears intends to continue its program so long as business conditions permit, he added.

In addition to the company's new program of aid to education, another $700,000 will be given in 1962 to institutions of higher learning by The Sears-Roebuck Foundation, the nonprofit corporation endowed by Sears to carry on charitable, scientific, and educational programs.

New Cub Pack In Mt. Baldy

Parents and boys 8-10 in the Mt. Baldy area will again have an opportunity to enjoy the fun of Cub Scouting, according to Don Mosher, Serrano district organization and extension chairman.

For over one year now the community did not have a sufficient number of boys of cub age to have a Cub Pack but in recent months five boys reached their 8th birthday and together with five other older boys Mt. Baldy Pack 661 was organized by Cubmaster Dave Gardner, a Mt. Baldy resident.

Mr. William Stead, who has been serving as Troop 1 Mt. Baldy's committee chairman will do double duty as Pack 661's chairman, while Scoutmaster Ed Bonds will serve as a Pack committeeman.

New Cubbers enlisted by Gardner were Kenneth Koford and Gene Thouvenelle who will round out the Pack committee. Marcia Caulfield, Betsy Boyd, Rachelle Slater, Lois Thouvenelle, and Louise Tedeschi will serve as den mothers.

Charter members are: Timmy Gardner, Mike Huffman, Paul Abbey, Billy Boyd, Jimmy Caulfield, Mark Hankins, Douglas Slater, Stuart Koford, Philip Stanton, Martin Thouvenelle.

The Pack will meet on the 1st Monday of each month in the Mt. Baldy School. Pack 661 brings Serrano District's total number of units to 21 with 2 additional new units expected before Dec. 31.

Girl Scout Training Group Complete Courses

At the close of the current week, five group leadership courses of training have been completed by the training committee of the Girl Scout Council of East San Gabriel Valley, it was announced by Mrs. Russell M. Lett, president.

These courses are required by the Council before a new Brownie, Intermediate or Senior leader takes over her role as leader.

Leaders receiving this training have come from Alta Loma, Azusa, Baldwin Park, Charter Oak, Chino, Claremont, Covina, Cucamonga, Etiwanda, Glendora, Guasti, Irwindale, LaVerne, Montclair, Mt. Baldy, Ontario, Pomona, San Dimas, Upland, Walnut and West Covina.

"This 12 to 16 hour course content consists of five major fields," Mrs. Lett said.

"These are learning about the girls themselves; activities that ca nbe planned such as skills, games, community service projects; program planning that helps the leader find girls' interests and learning to do a long-range troop meeting planning with the emphasis on girl-planning rather than leader-planning.

"Troop government content illustrates methods of helping the girls learn to govern themselves through the patrol system and how to manage troop business. Particular stress is given to the Girl Scout aims, the history of Scouting and how to make the aims and ideals of the program interesting.

"Assisting the new leaders in finding resources for help is also emphasized," Mrs. Lett said.

She added "that the above courses alone have trained approximately 250 new leaders throughout the Council" and that she particularly wished to thank the volunteers who had given so freely of their time and knowledge to assist in this effort.

Trainers volunteering their services were: Mmes. John Holdner, James Mertz, Betty Hinds, Philip Aiken, Roman Margis, Dorothy Morgan, W. M. Morris, Richard Bales, Kay Hoffman, Jack Sawyer, John Hill, John Edwards, Lou Browne, Cory Aylor, Walter Stewart, J. N. Tuttle, R. Wells, James Stockton, Norman Wellington, Carson Hawk, Lenore Jacoby, Thomas Girffiths, Hal T. Pederson and John Boldi.

Due to the many requests, an additional group leadership course is being scheduled for January 3, 7, 9, 11 from 9:30 a.m. to 1:30 p.m. with the location to be announced in the near future.

Santa Claus Open House Set Dec. 16

"Christmas gifts to be distributed among approximately 500 families, or more specifically, 2000 children, will be on display on Sunday, Dec. 16, when Santa Claus, Inc. stages its annual Open House", it was announced by John Devlin, President.

This Open House is open to the public and will be held from 1 - 5 p.m. in the former Telephone Company Building, 123 West "D" Street, Ontario.

Devlin stated, "we sincerly hope that many citizens throughout the area will avail themselves of the opportunity of seeing what much time, patience, paint, and effort can do to restore used toys into new-appearing articles.

"Also, we would hope that when they see the display of dolls, wheeled toys, clothing, etc. that many persons will feel that they too could volunteer some time during the coming 12 months. We get many volunteer workers during the three or four weeks prior to Christmas, usually, but, this is a project that must be carried on the year round and we need help every month in the calendar".

Refreshments will be prepared and served by the new Assisteen Chapter, an Auxiliary group of the Assistance League of Upland comprised of teenagers under 21.

Alta Loma HS Assigned To Inland League

Alta Loma High School has been officially assigned to the new Inland League of the California Inter-Scholastic Federation, for the 1963-64 school year.

Principal Burton Wiley said that the Inland League was recently created by the CIF to accommodate new high schools consisting of only freshmen, sophomores, and juniors.

Joining Alta Loma High School in the League are Bloomington High School, Bloomington; Gary High School, Pomona; John Glenn High School, Norwalk; Sierra Vista High School, Baldwin Park; Nogales High School, La Puente; and Gladstone High School, Azusa.

Wiley, Dean Smothers, chairman of the ALHS boys' physical education department, and Gus Rischer, director of student activities, attended the first meeting of the league Dec. 3, at Pico Rivera.

Highway Tax Distributed

The October apportionment of state highway users taxes amounted to $37,136,228, a 10 per cent increase over the distribution for the same month last year, State Controller Alan Cranston reported.

A total of $8,794,299 was apportioned among the counties. San Bernardino County's share was $327,220.

Cranston said $23,772,529 went into the State Highway Fund for expenditure on highways, $3,469,440 was apportioned to the State Highway Fund for city use and $1,099,960 was transferred to the General Fund.

The allocation was derived from the following sources: Net gasoline tax, $33,306,625; diesel fuel tax, $2,800,477; by transfer from the Motor Vehicle Transportation Tax Fund, $1,328,318, and from miscellaneous sources, $808.

ALHS Student Plan Council Has 1st Meet

Alta Loma High School's Student Planning Council has held its first meeting, and work is now under way. Student committees were appointed and deadlines set for reports.

Preliminary work was done on the football and cross country schedules for the 1963-64 season.

Approximately 30 committee members and alternates met at Cucamonga Elementary School last week, with Gus Rischer, Director of Student Activities; and Burton Wiley, principal.

Committee chairmen are: constitution, John Morris; handbook, Chris Collins; Assembly, Tony Vincenti and Maria Oliva; Club program, David Bentley; ASB officer and song and yell leader elections, Larry Pempel and Peggy Haigh; School newspaper, Jeanne Smith; Athletic Award design, Larry Leacock.

The committees will do research and carry on correspondence with other high schools in the California Interscholastic Federation. They will then submit their recommendations to the administration for final approval.

This is the first step in the organization of student activities at Alta Loma High School.

Serving on the committees are present Upland High School students, and representatives of Etiwanda, Alta Loma, Los Amigos, and Cucamonga Elementary Schools.

UN Contest To Attract UHS Students

Upland High School students are now registering for the 37th Annual Contest of the United Nations.

The contest is part of the educational program of the American Association for the United Nations and is open to all high school students in the United States.

The contest consists of an examination which tests the student's knowledge of the history and structure of the world body and his understanding of the issues facing the United Nations.

First prize for the national winner, the Dag Hammarskjold Award, is a trip to Europe, sponsored by American Youth Hostels, Inc., or $500 toward a college scholarship.

Second award is a hosteling trip in the United States, or $200 toward a college scholarship.

Twenty-five regional awards will receive an AYH hosteling card which is honored at hostels throughout the world.

James Stewart, Upland High School chairman of the contest, said that this is the first of two United Nations contests at Upland High School.

Interested students should register with Stewart before the beginning of Christmas vacation.

Youth Prepare For Annual Legislature

The members of the Hi-Y and Tri-Hi-Y Clubs of the Upland-Ontario Y.M.C.A. have these past two months been working on bills for the California Model Legislature.

Thirty club members presented their bills to the Youth and Government Committee on Dec. 11 at the Y.M.C.A. Of these, ten will be selected as Senators and Assemblymen to attend the Model Legislature in Sacramento on Feb. 8, 9 and 10.

Jerry Vest, Program Director, states that this program has been developed and designed for those members who are the potential leaders of tomorrow's communities. The motto of Youth and Government is - "Democracy Must Be Learned By Each Generation".

With this in mind, the Youth and Government program has been set up as a program of "doing", in the belief that individuals learn best those things which they actually practice.

The members that are presenting bills and competing for a place in this program are: Margaret Arner, Sarah Brady, Carol Stoney, Diana Chipps, Jim Crane, Mike Davidson, Nancy DeDiemar, Diane Dowding, Tony Fattarsi, Linda Hamilton, Karol Hildreth, Susan Smith, Gideon Letz, Marsha Hunt, Susan Johnson, Jeannette Casenave, Karen Conner, Eileen Kiler, Sharon Lewis, Jack Likins, Nora Tomlinson, Jeannette Wiltsey, Ellen Castellini, Linda LeFevre, Linda Barone, Dan Coffey, and Jack Lincke.

In addition to the ten members from Upland and Ontario, John Gilliland of Upland High will go to Sacramento as Secretary of State and Jan Eckbo, foreign exchange student from Oslo, Norway, will attend as an observer.

The committee that will be making the selections are: Russ Penhollow, Larry Alcorn and Dick Wells, from the Y's Men's Club; Richard Davidson, attorney; and Jim Looney, a past Speaker Pro-Tem of the Assembly in the 1960 Model Legislature.
